Sec. 6-15. Reserved.

ARTICLE II. DOGS

DIVISION 1. GENERALLY

Sec. 6-16. Reserved.

Sec. 6-17. Running at-large.

It shall be unlawful for any person to permit any dog to run at-large at any time. If any such dog is found running at-large in violation of this provision, it shall be taken up and impounded in the manner provided in this chapter. If any dangerous, fierce, or vicious dog is found at-large and cannot be safely impounded, such animal may be put to death in a humane manner.

Sec. 6-18. Rabies vaccinations.

No person shall own, keep, or harbor any dog within the limits of the city unless the dog has been inoculated against rabies, as required by the Georgia Health Code.

Sec. 6-19. Rabies.

If a dog is believed to have rabies or has been bitten by a dog suspected of having rabies, such dog shall be confined by a leash or chain on the owner’s premises and may be placed under the observation of a veterinarian at the expense of the owner for a period of two (2) weeks. The owner shall notify the Animal Control Officer of the fact that his dog has been exposed to rabies. At his or her discretion, the Animal Control Officer is empowered to have such dog removed from the owner’s premises to a veterinary hospital and there placed under observation for a period of two (2) weeks at the expense of the owner.

It shall be unlawful for any person knowing or suspecting a dog to have rabies to allow such dog to be taken off his premises or beyond the limits of the city without written permission of the Animal Control
ANIMALS AND FOWL

Officer.

Whenever a stray dog is ascertained to be rabid, notification shall be made to the Animal Control Officer, who shall cause such dog to be removed to the pound, or other suitable place, or summarily put to death in a humane manner.

Sec. 6-20. Muzzling.

Whenever it becomes necessary to safeguard the public from the dangers of rabies, the Mayor, if he or she deems it necessary, may issue a proclamation ordering every person owning or keeping a dog to confine it securely on his or her premises unless such dog shall have a muzzle of sufficient strength to prevent its biting any person. Any unmuzzled dog running at-large during the time of the proclamation shall be seized and impounded in the manner provided in this chapter, unless such dog shall be noticeably infected with rabies, in which case it shall be summarily and humanely put to death.

Sec. 6-21. Nuisance dogs.

A dog may be found to be a nuisance dog if the Animal Control Officer or police department responds to more than two complaints that are found to be reasonable against the dog. The owner of a dog found to be a nuisance dog must erect a fence or otherwise confine the dog to a place on his or her property that keeps the dog from coming into contact with any outside influence that may aggravate its nuisance behavior. A nuisance dog is one that:

(a) Damages or destroys property other than the owner’s property.

(b) Routinely leaves its property while not under the control of its owner.

(c) Causes unsanitary or offensive conditions such as offensive odors or otherwise endangers the public health, welfare, or safety.

(d) Causes a disturbance by barking for a period of more than 15 minutes non-stop or 30 minutes intermittently.

Sec. 6-22. Attacking or biting dogs.

Any person having information that a dog has bitten or attacked a person shall immediately report such information to the Monroe County Health Department. After investigation by that agency and confirmation that an attack has occurred, the dog shall be immediately confined and isolated for observation for a period of 10 days. If the agent for the Monroe County Health Department concurs, the owner has the option of confining the dog on his or her property or to a licensed veterinarian at the owners’ expense. If the owner does not have the facilities to confine the dog, it will then be impounded and taken to the Monroe County Animal Shelter or other designated facility for the confinement period, also at the owners’ expense. If the Monroe County Health Department determines the dog can return to its owner, the owner can reclaim the dog by providing proof the dog will remain securely on its property and by paying the fees associated with the impoundment. If the attack is severe, the Forsyth City Council or a board designated by the council may classify the dog as a dangerous or vicious dog.

Sec. 6-23. Classification as a dangerous dog or vicious dog.
When a dog has inflicted an injury to warrant being classified as a dangerous or vicious dog upon a person, the City Clerk or designee shall send notice to the owners of the dog. The notice to the owner shall meet the following requirements:

(a) The notice shall be in writing and mailed by certified mail or statutory overnight delivery to the owner’s last known address. If there is a question as to the dog’s ownership, notice shall be deemed sufficient if sent to the last person known to have claimed ownership of the dog.

(b) The notice shall include a summary of the officer’s findings that form the basis for the dog’s classification as a dangerous or vicious dog.

(c) The notice shall be dated and shall state that the owner has a right to request a hearing on the classification within 15 calendar days from the date of the notice.

(d) The notice shall state either that the Forsyth City Council or a board designated by the council shall conduct the hearing.

(e) The notice shall state that if the owner does not request such a hearing within 15 calendar days from the date of the notice, the classification of the dog as a dangerous or vicious dog shall be final and conclusive for all purposes.

(f) The notice shall include a form to request a hearing before the Forsyth City Council, or a board designated by the Council, and shall provide specific instructions on mailing or delivering such a request.

(g) When the Forsyth City Council, or a board designated by the Council, receives a request for a hearing from an owner, it shall schedule such a hearing within 30 calendar days of receipt of the request. The Board shall notify the owner in writing by certified mail or statutory overnight delivery of the date, time and place of the hearing; such notice shall be made to the owner at least 10 calendar days prior to the date of the hearing. At the hearing, the owner shall be given the opportunity to testify and to present evidence. The Council, or Board if designated, shall also receive such other evidence and hear such other testimony as it may find reasonably necessary to determine either to sustain, modify, or overrule the classification of the dog.

Sec. 6-24. Requirements for possession of dangerous dogs and vicious dogs.

The owner of any dog classified as a dangerous or vicious dog must adhere to the following requirements:

(a) The owner shall fence a portion of his or her property with a second perimeter or area fence. Within this perimeter or area fence, the dangerous or vicious dog must be humanely confined inside a pen or kennel of adequate size, no smaller than 100 square feet by 6 feet tall and must contain an adequate shelter. The pen or kennel may not share common fencing with the area or perimeter fence. The kennel or pen must have secure sides and a secure top attached to all sides. The sides must either be buried two feet into the ground or sunken into a concrete pad. The gate to the kennel shall be inward-opening and shall be kept locked except when tending to the animal’s needs such as cleaning the kennel or providing food and water.

c) The premises where a dangerous or vicious dog is kept shall be marked with a clearly visible sign warning that there is a dog on the premises which presents a danger to human beings. Such sign shall include a symbol sufficient to convey without words the message that there is a dog on the premises which presents a danger to human beings.

d) The owner of a vicious dog shall maintain at all times either a policy of insurance or a surety bond in a minimum amount of $1,000,000 to cover claims for any personal injuries inflicted by the dog. The policy or surety bond shall be issued by an insurer or surety, as the case may be, authorized to transact business in this state.

e) The owner of a dangerous or vicious dog must have the dog microchipped and give all tracking information to the Forsyth City Council or an entity designated by the Council.

(f) Any transfer of ownership of a dangerous or vicious dog must be provided to the Forsyth City Council or an entity designated by the Council. The name, address and phone number of the new owner and the date of transfer must be included. Notification is also required when the dog is no longer living. The requirements of this section shall apply to the new owner, if he or she resides within the City of Forsyth.

g) The Animal Control Officer or any other law enforcement officer shall have the right to inspect randomly and without notice a dangerous or vicious dog and the premises where such dog is kept.

(h) Notification in person or by phone to the Animal Control Officer or to the police department, if after business hours, must be made immediately if the dangerous or vicious dog has escaped or has otherwise ceased to be in the custody of its owner or has attacked a human being or other animal.

(i) An owner of a dog that was classified as dangerous or potentially dangerous in another jurisdiction and brought into the City of Forsyth must register the dog with the City of Forsyth or an entity designated by the City Council and must comply with all of the above requirements.

Sec. 6-25. Exceptions.

No dog shall be classified as a dangerous dog or vicious dog for actions that occur while the dog is being used by a law enforcement or military officer to carry out the law enforcement or military officer’s official duties. No dog shall be classified as a dangerous dog or a vicious dog if the person injured by such dog was a person who, at the time, was committing a trespass, was abusing the dog, or was committing or attempting to commit an offense under Chapter 5 of Title 16 of the Official Code of Georgia Annotated.

Sec. 6-26. Liability of the City, Animal Control Officers, and employees

The city and its employees or designees shall not be held responsible or liable for any accidents, diseases, injuries, or deaths to any animal while being impounded or boarded at the animal control facility.

Sec. 6-27. Penalty.
It shall be unlawful for any person to violate any provisions of this article and any such violation shall be punishable as provided by law, not to exceed a fine in the amount of $1,000.00 or 30 days imprisonment or both. Each act or omission in violation of this article shall constitute a separate offense. Each day that such violation continues to exist shall constitute a separate offense.
